All nations and all peoples mark the passing of years in terms of the inevitable cycles of the earth's orbit, or to the anniversary of the historical or religious event.

All do not observe the same date, or celebrate with the same traditions the completion one cycle and the start of another-but all do regard the occasion as a time for inventory of accomplishments and failures, and a rededication to both individual and collective improvement to hasten realization of mankind's highest potential.

Chartings for students of Artesia High School in 1973 will be developed as we progress through the days ahead. The final course will be determined by our day-to-day actions, decisions, and the degree to which these conform to the highest ideals and standards of society.

Again, our ideals and standards may vary somewhat, yet the basic, universal hope is the same: the enjoyment of peace, safety, order and tranquility by those who dwell within our society in following a course toward this goal, we hope all of us will be brought a little closer to universal peace, safety, order and tranquility.

To all our students and faculty, we extend our felicitations as we look to the future, hopeful and confident of significant progress toward that objective peace.

At the end of Artesia's rainbow stood the Homecoming Queen for 1972-73, Teresa Garnica. Teresa was also elected Senior Princess of the class of "73".

This year the candidates were escorted by their fathers down the yellow brick road which came with the theme of homecoming, "Somewhere Over the Rainbow." The queen's court was June Tyedt first runner up, Vicki Liblin second runner up. Junior Dorthy Sanchez, Sophomore Shelia Williams, and Freshman Dana Costa were the princesses of Teresa's court.

We would like to thank Pam Esse the Homecoming Queen of Artesia 1971-72 for crowning our lovely queen this year.

Summer away from home, screaming at your best friend pulling a muscle, complaining about practice, hitting the head leader, crying when you win an award, doing it over and over again, sideways and backwards, that's pep squad!

Flag bearers follow the band where ever they go and represent our school. Drill Team participated in a compation at Disneyland where they all spend the weekend.

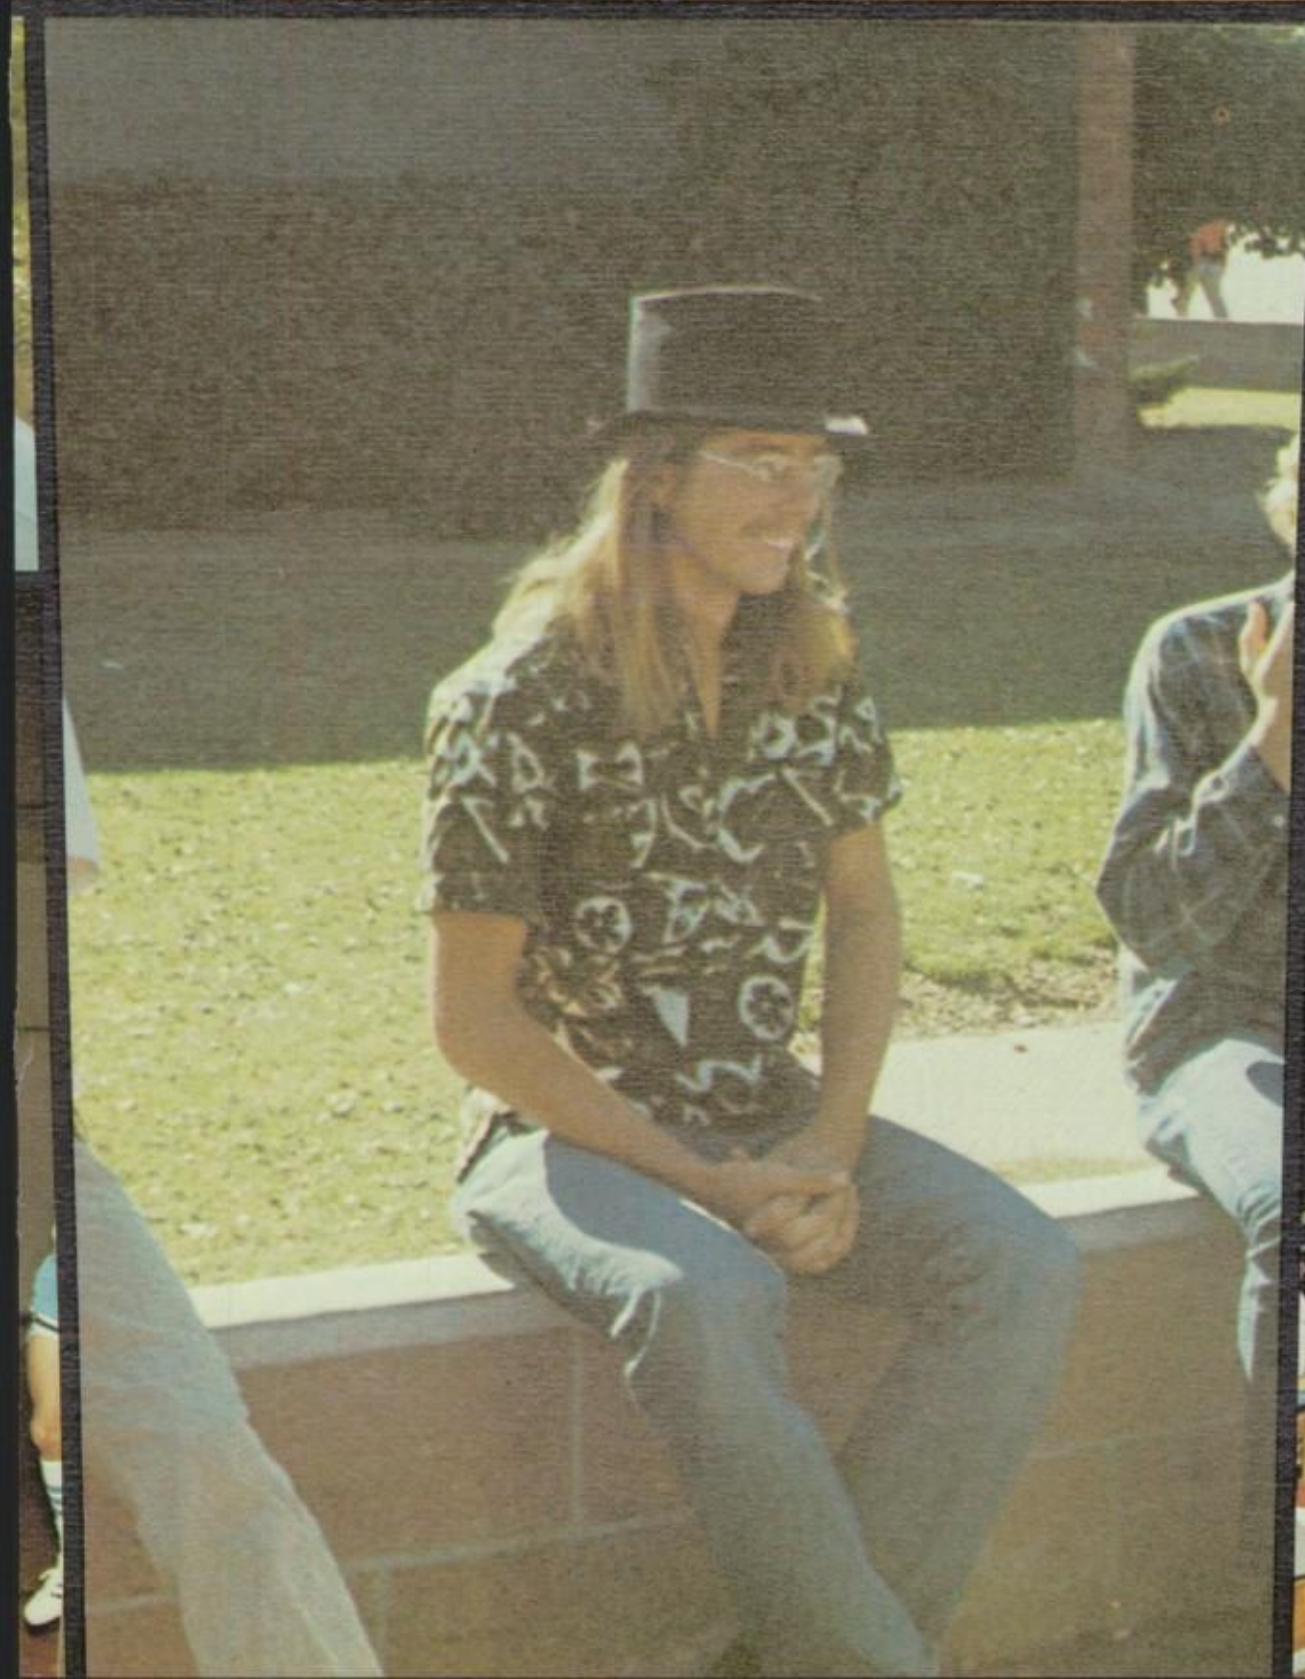

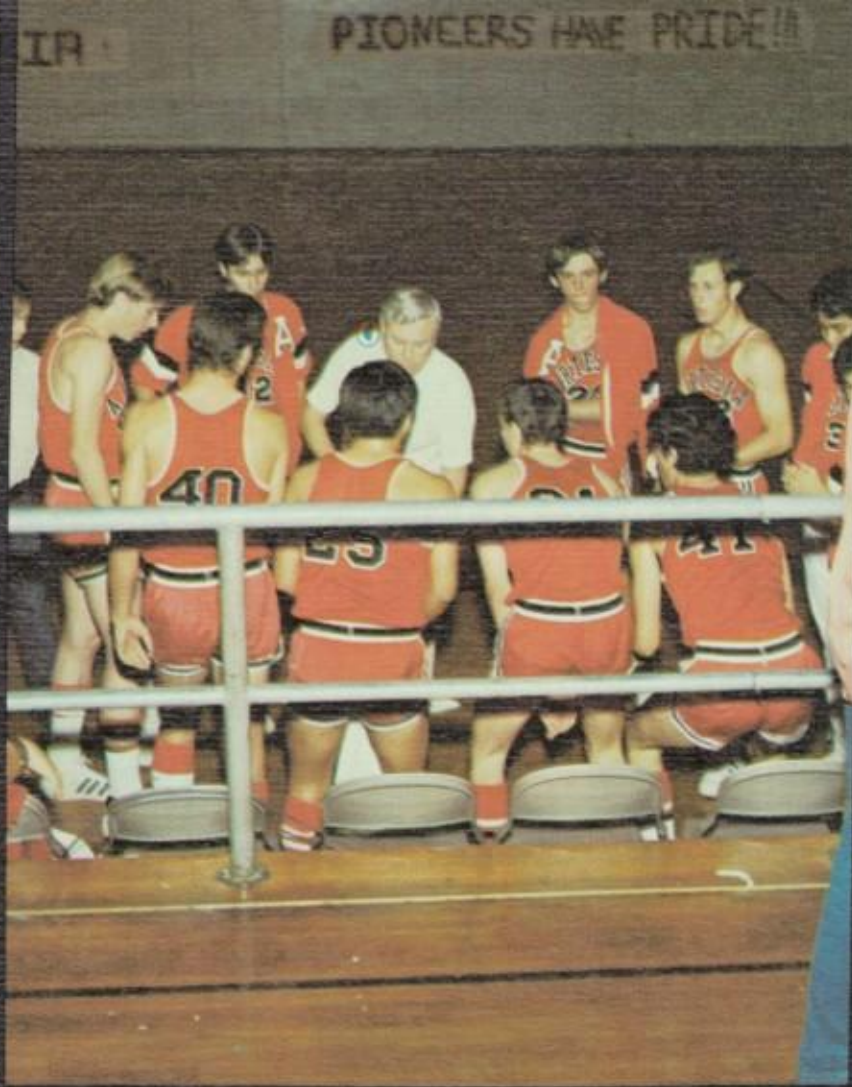

Members of the Drill Team are: TOP ROW: Suzanne Anderson, Rhonda Burton, Joanne Oddo, Leslie Molineux, Shannon Lewis, Julie Flashpholer, Brenda DeBruin, Sharon Canper. MIDDLE ROW: Angie Schumaker, Teresa Hutchinson, Amy Woosley, Michele Hubert, Tami Clawson, Joyce Farrow, Carolyn Byrd, Doreen Rodriquez. BOTTOM ROW: Diane Blossfield, Olga Vega, Terry Evans, Donna Tyra, Becky Perez, Laura Yanez, Laura Pasillas, Margaret Andrade. Leaders: Donna Clawson, Jill Felton, Norma Elsasser. NOT SHOWN: Susan Okamoto, Susan Henderson, Lori Wright, Cindy Vierreger.

Members of the Flag Bearers are: Kathy Tyra, Conni Blabon, Robin Garret, Lisa Erwin, Carol Driskill, Wendy Guffstisin,

The group shots are of the Varsity Yell group and Flag Twirlers.

Varsity Yell started off with a week-in San Diego's All American Hibbards Yell camp. In return Yell taught new yells to the other pepsters and work on rallies. The rallies were a large success with some of the better skits they performed. Often people could see Yell Leaders running in and out of Mr. William Cowan's Activities office. This was because he was the head advisor.

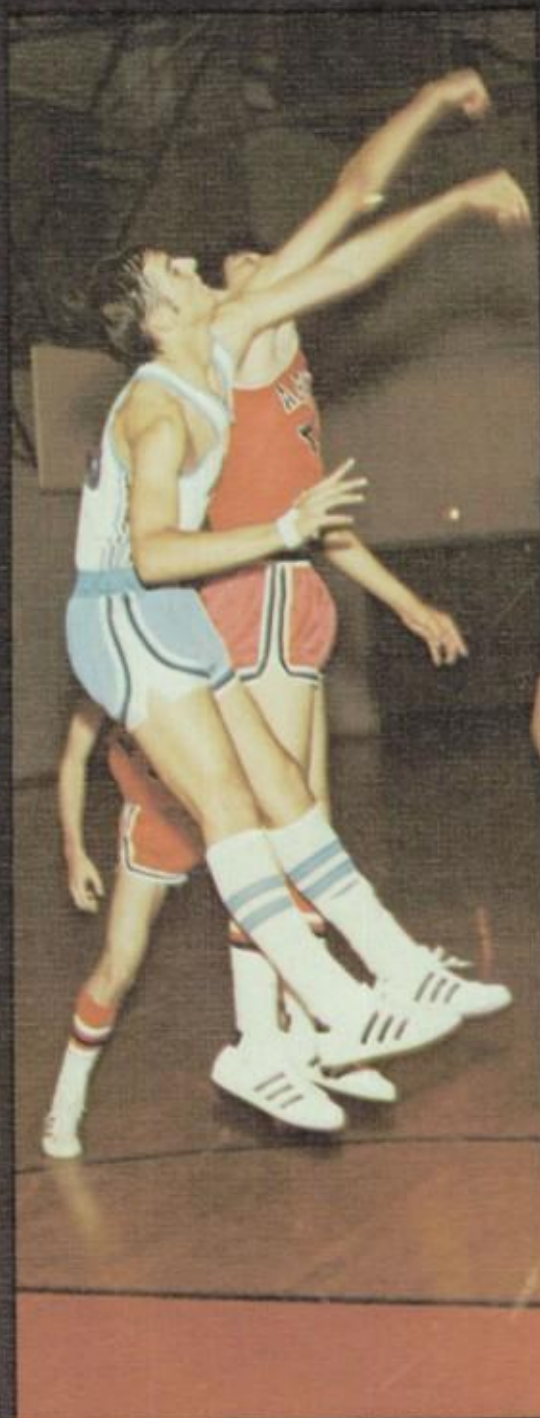

Flag twirlers entertained the students at every pep rallie in one way or another. The girls participated in skits as well as great performances, parades, and half time shows.

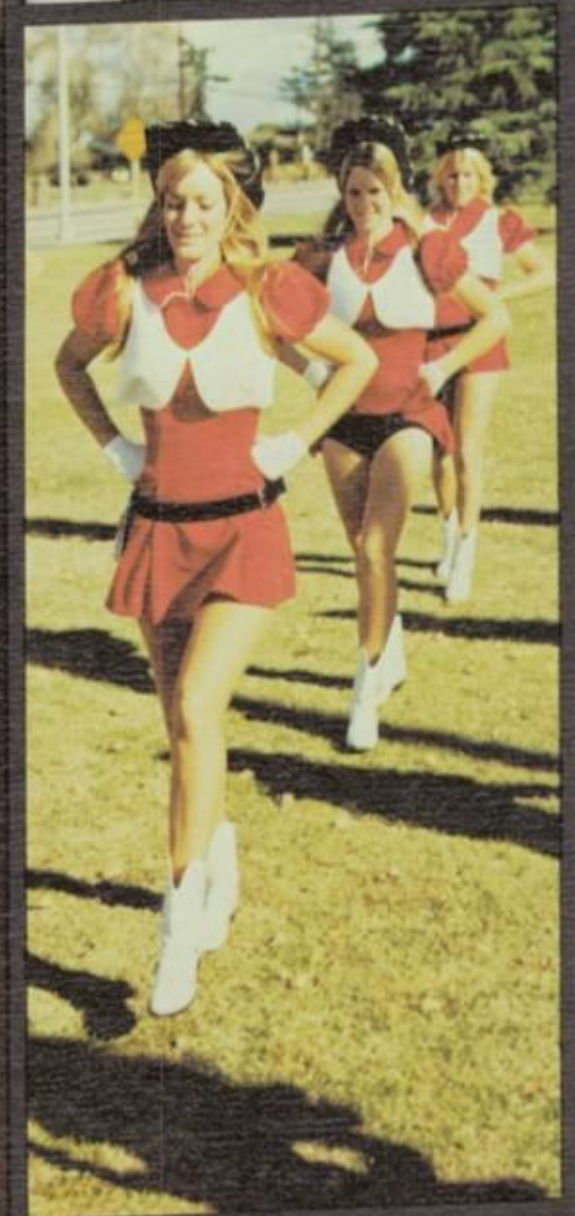

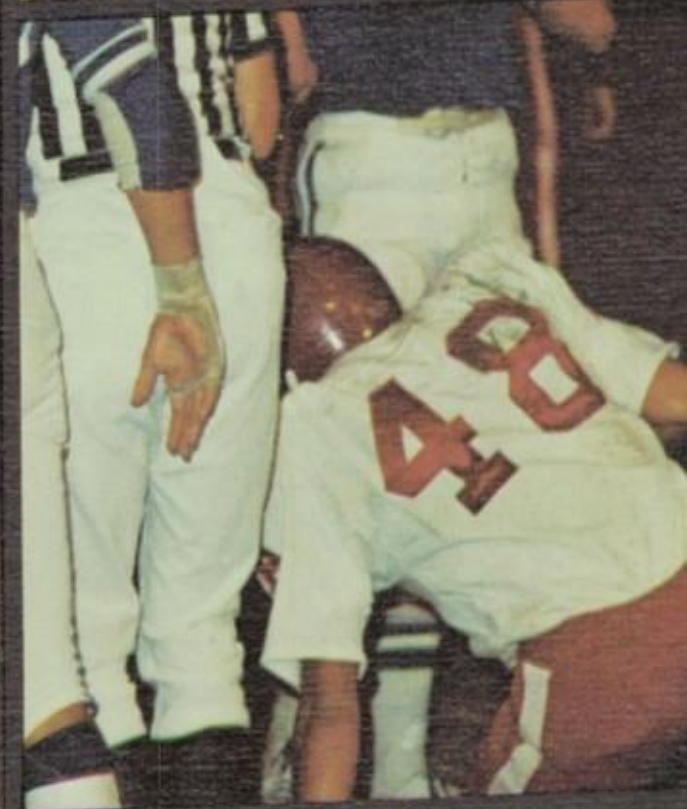

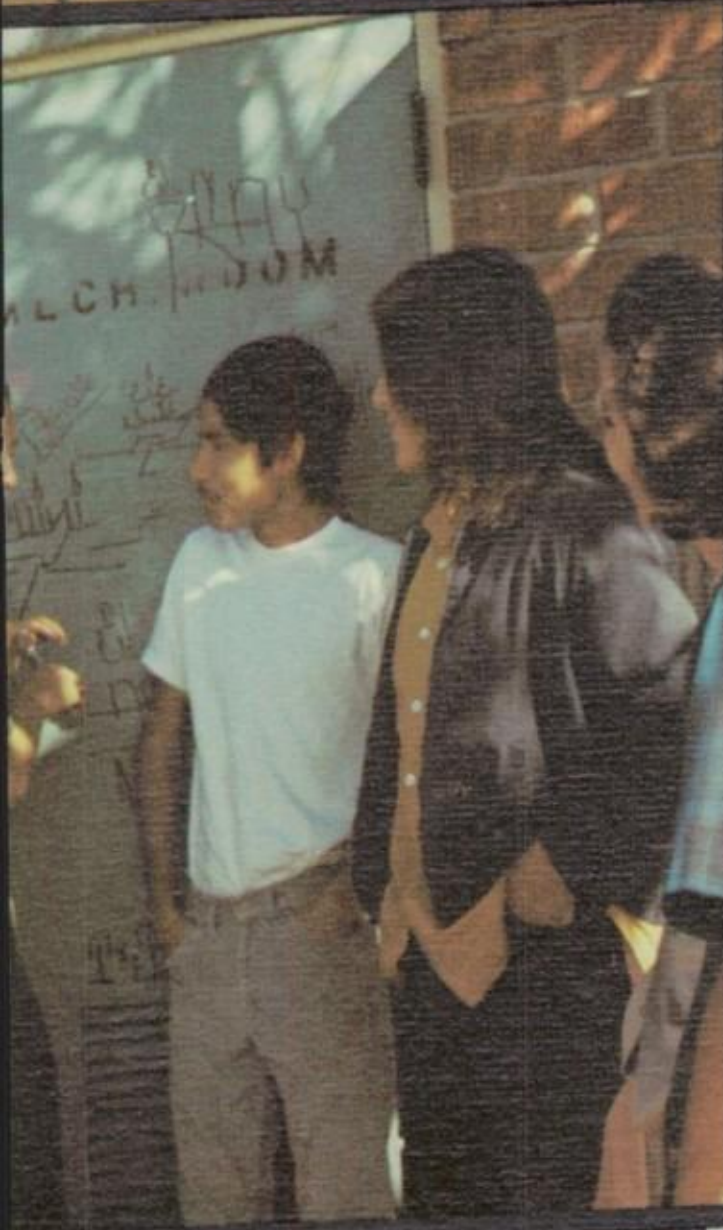

Varsity Yell Leaders: TOP: Laura Turnball, Nancy Craft, Janet Fruhwirth. MIDDLE: Beth Bliffen, Conni Plunk, Corene Locke (head), BOTTOM: Julie Sylva

The flag twirlers were: TOP: Lori Shinck. MIDDLE: Elizabeth Martinez, Debbie Dolman. BOTTOM: Julie Zimmerman.

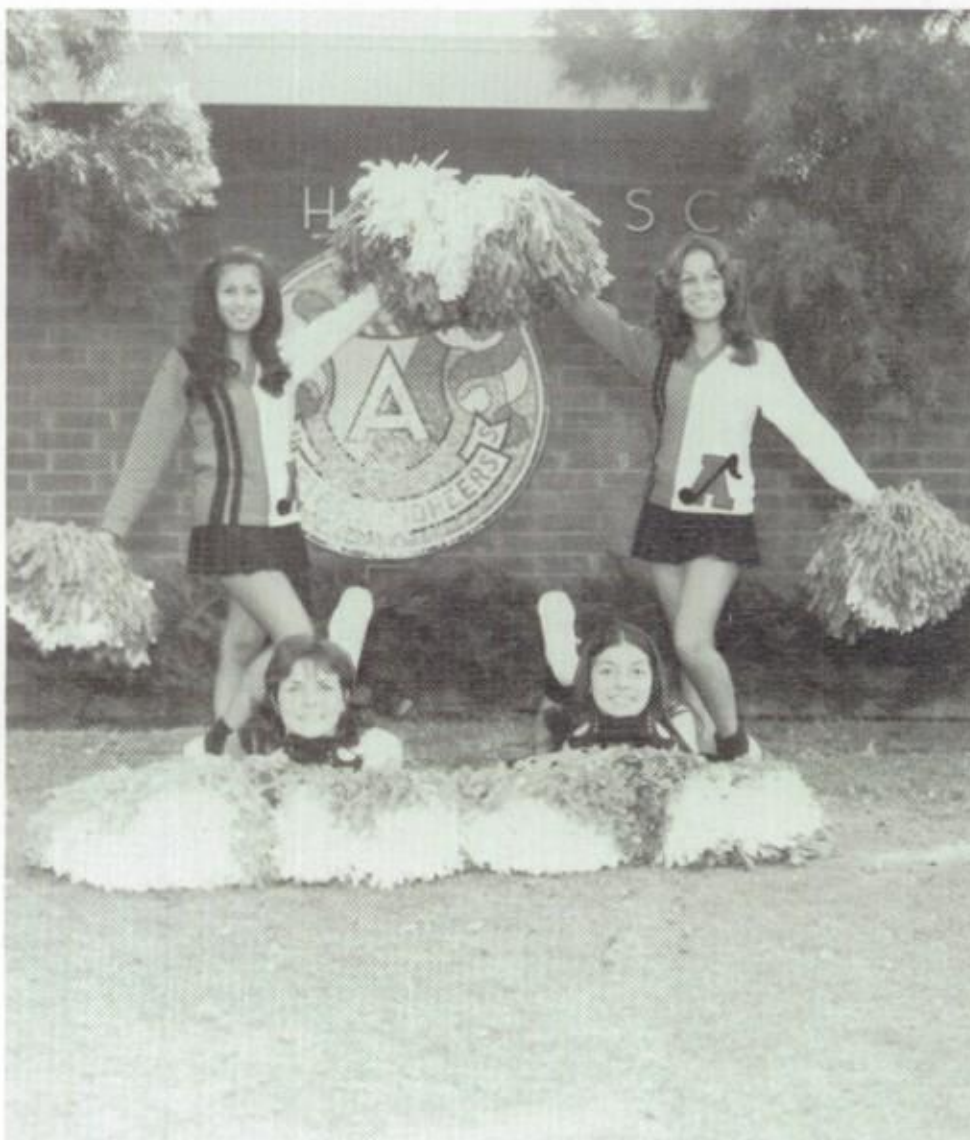

Group shots on this page are of the Song Leaders and J. V. Yell Leaders.

Song girls also started the summer with a trip to Hibbards All American Camp. There they received awards for the routine they took to camp and learned many new ones. Song leaders helped in all the rallies by performing routines and being in the skits. They also went to competition, including the one at Disneyland.

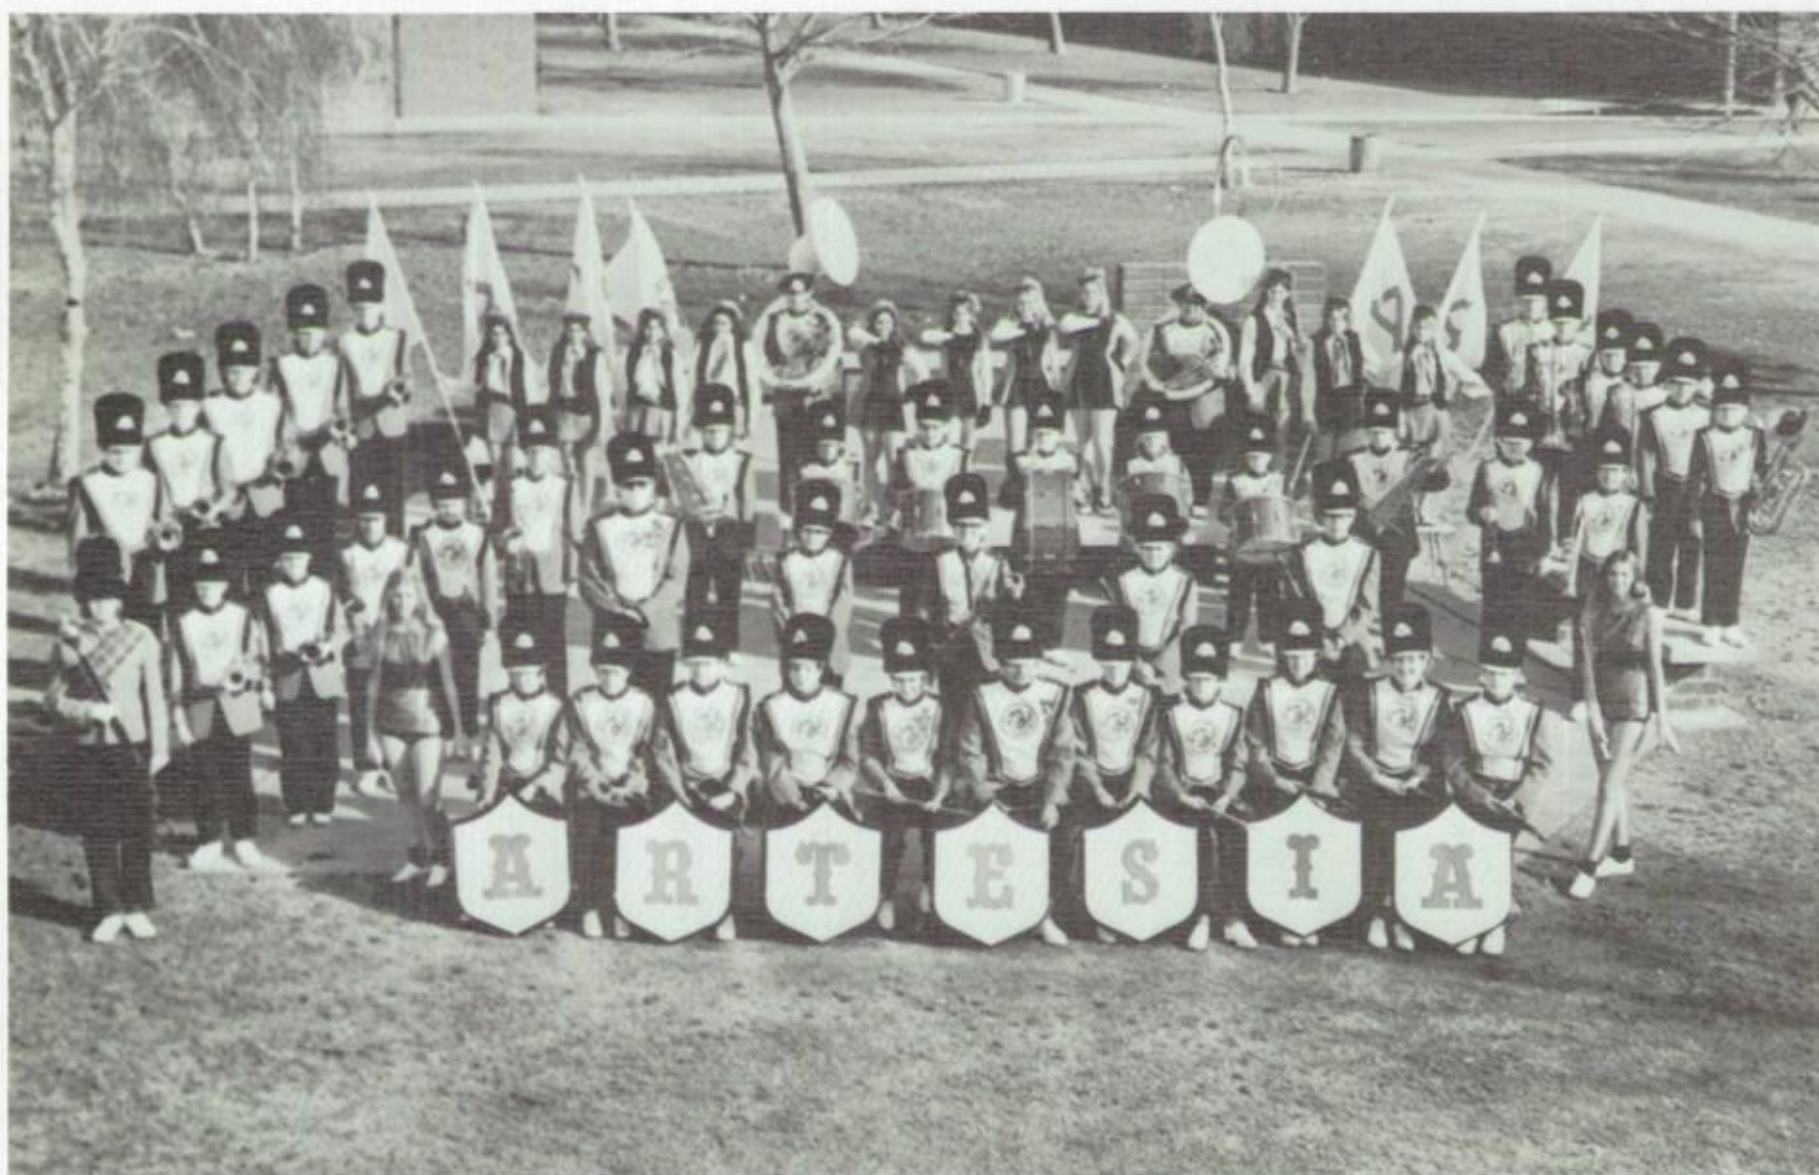

J.V. Yell is much like Varsity Yell only three times as busy. J.V. Yell Leaders attend all J.V., sophomore, and freshmen sports activities. J.V. Yell is a job for anyone who has time for cheering, running, skits, practice, and a lot of pioneer spirit.

The Song Leaders of 1972-73 are: TOP: Moneca Olague, Jackie Montoya. BOTTOM: Sandy Scoltock, and Lynell Pineds.

The J.V. Leaders are: TOP: Georgina Godino. BOTTOM: Helen Ranfield, Connie Selezor, Debbie Daughtery and Nancy Jepson.

Band has had a very successful year in all their endeavors, except maybe their annual pictures. They traveled to parades in Redlands and Indio which are both yearly events enjoyed by the members. Some great half-time shows, headed by Bob Lions, were performed with the help of pep-squad, majorettes and the drill team. Majorettes for 1972-1973 were Debbie Mallock and Marcia Kulas, both freshmen. Together these girls lead the band wherever they go, for parades, half-times and an unforgettable year. The band members are: T. Allen, G. Bernard, C. Blabon, J. Brandenburg, B. Buchanan, R. Burns, V. Cahana, L. Campbell, C. Clark, T. Cook, S. Croft, D. De Rosier, C. Donovan, K. Dowell, C. Driskill, R. Estrada, K. Gallagher, R. Gallegok, R. Garrett, R. Gilmore, L. Green, M. Guerrero, J. Henderson, A. Hernandez, J. Hooker, K. Hurley, L. Irwin, B. Johnson, S. Johnson, K. Jonte, S. Kaske, D. Kennedy, M. Kulas, R. Larranaga, M. Le Flore, H. Lieberman, J. Lowe, C. Lyons, R. Lyons, M. Macknicki, D. Mallock, R. Mancillas, V. Marchetti, L. Mellen, J. Mercer, J. Monaghan, G. Montgomery, R. Nesland, A. Nix, M. O'Hearn, B. Osburn, M. Pachal, J. Peele, T. Redding, C. Rhoden, A. Rohm, H. Salazar, D. Saldivar, D. Secofsky, J. Shinn, L. Sloan, R. Smith, R. Stebbins, R. Stone, M. Trapasso, J. Triefenback, K. Tyra, M. Verhoff, R. Weber, T. Webster, L. White, L. Wilburn, M. Alanacio, J. Brown.

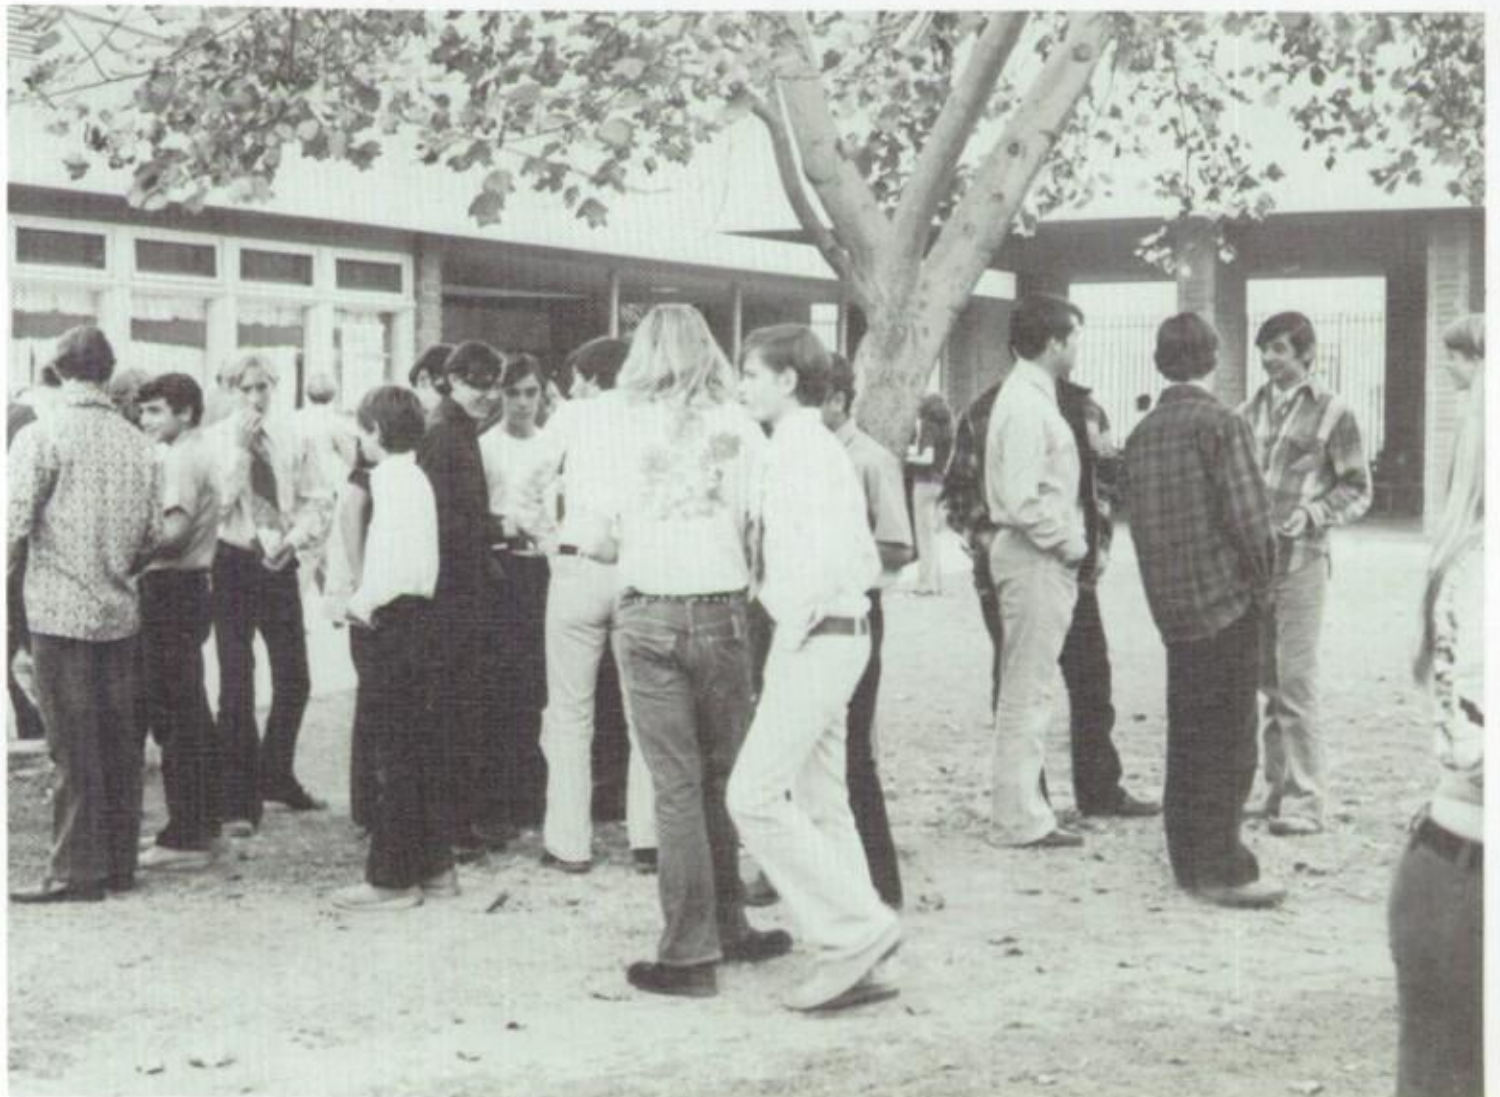

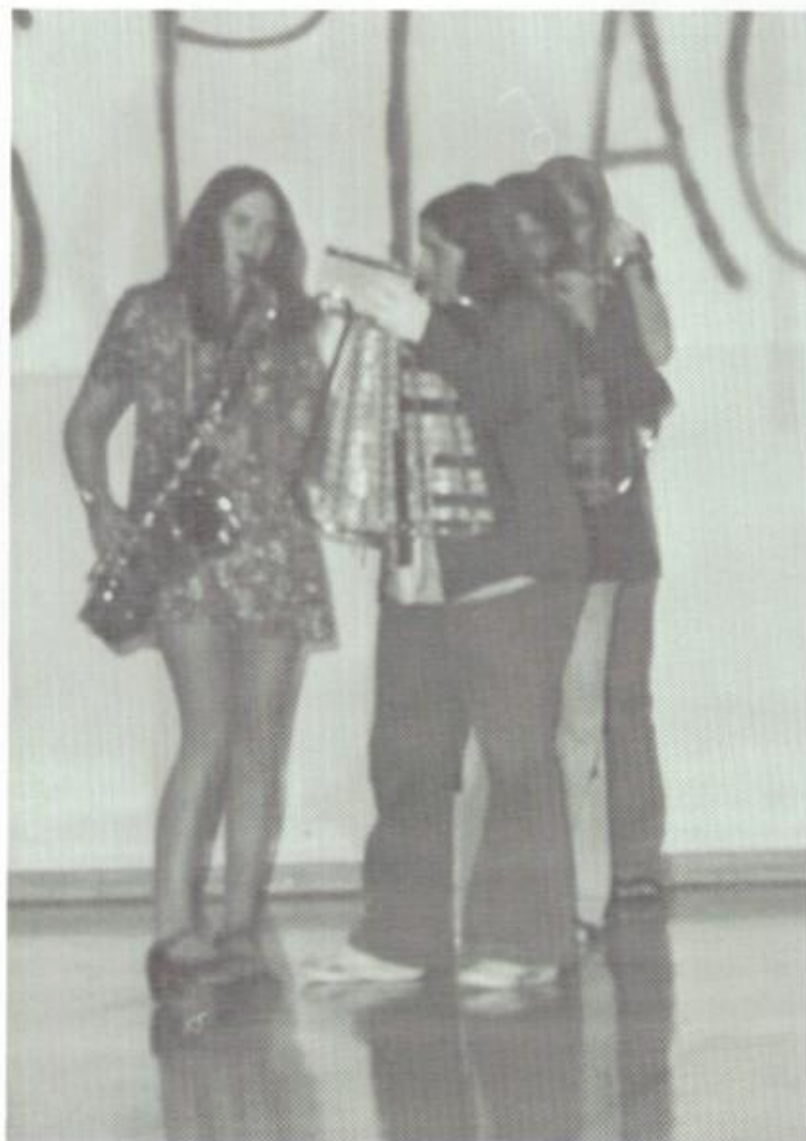

Peace is individualism, as the students at Artesia have shown. Doing their own thing in their own ways, were (CLOCKWISE FROM FAR LEFT) George Sun, artist; Mr. Ragland, announcing Seniorellas for the month of January; Tracy Barker conversing with Santa Claus's Mr. Rizzie and Mr. Flores; Karen Jeffs, modeling her own at the Freshman Mothers' Tea; Mr. Valois talking about the cross country team, Pep Squad doing a job on a rally; and directing, Pam Hyde, Commissioner of Rallies.

Pioneers find peace just being together. Playing football, shooting the breeze, eating, having junior meetings, and the Prom made the year bearable.

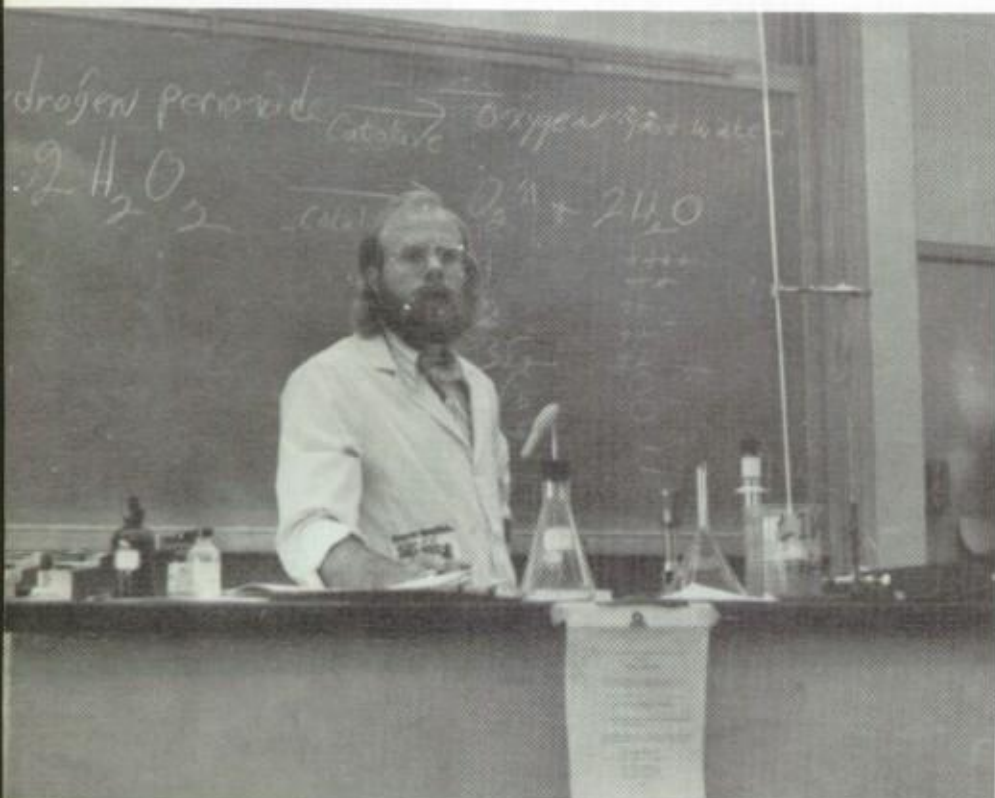

Women's lib found it's place at Artesia, as the girls discovered a vast majority of new activities to keep them busy (MOVING CLOCKWISE). Renee Nesland and Diane Secosky participated in band. Brenda D'Amarrio and Reba Melton got involved with Girls League and their little skit. Cindy Navarro and Mike McNenly sang together to entertain at another Girls League rally. The Juniors practiced day and night for the Junior-Senior Girls football game that never came about. And for girls that really wanted to do something Girls League Board took up alot of time and energy.

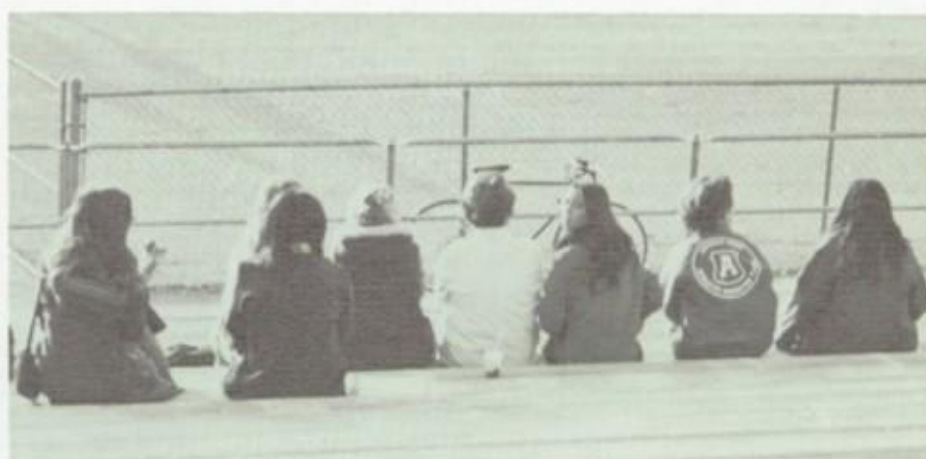

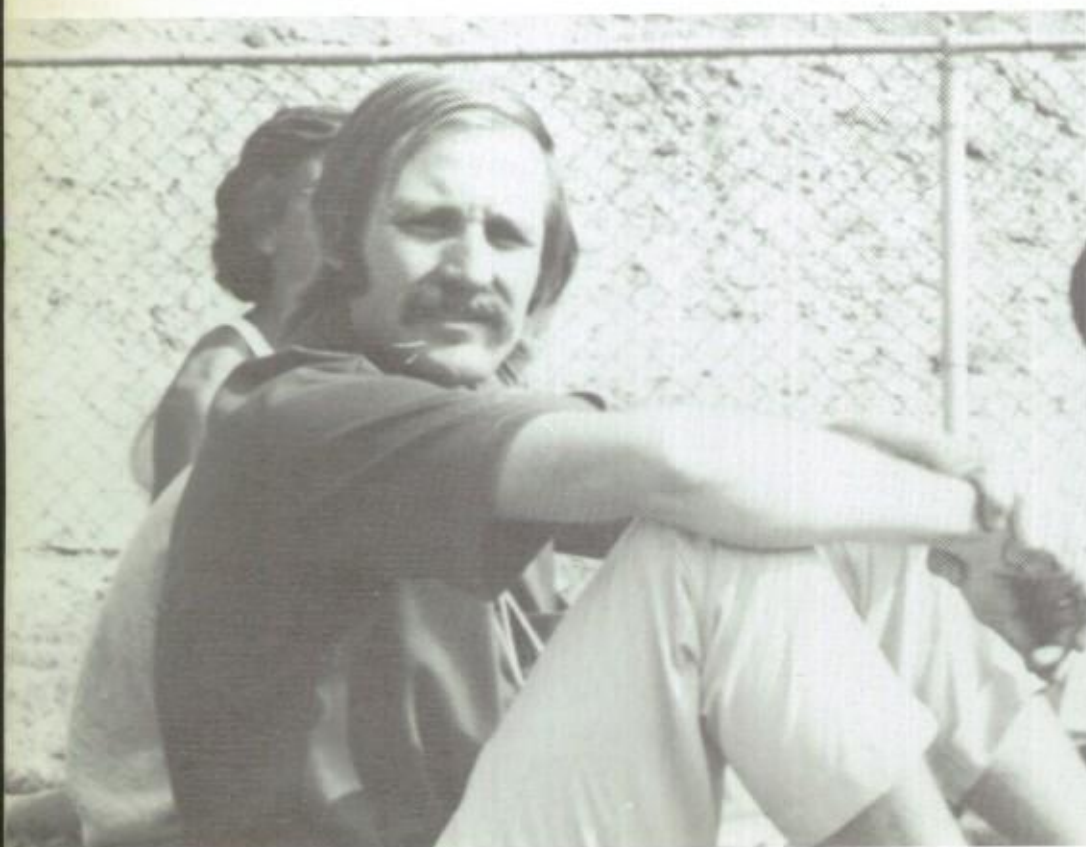

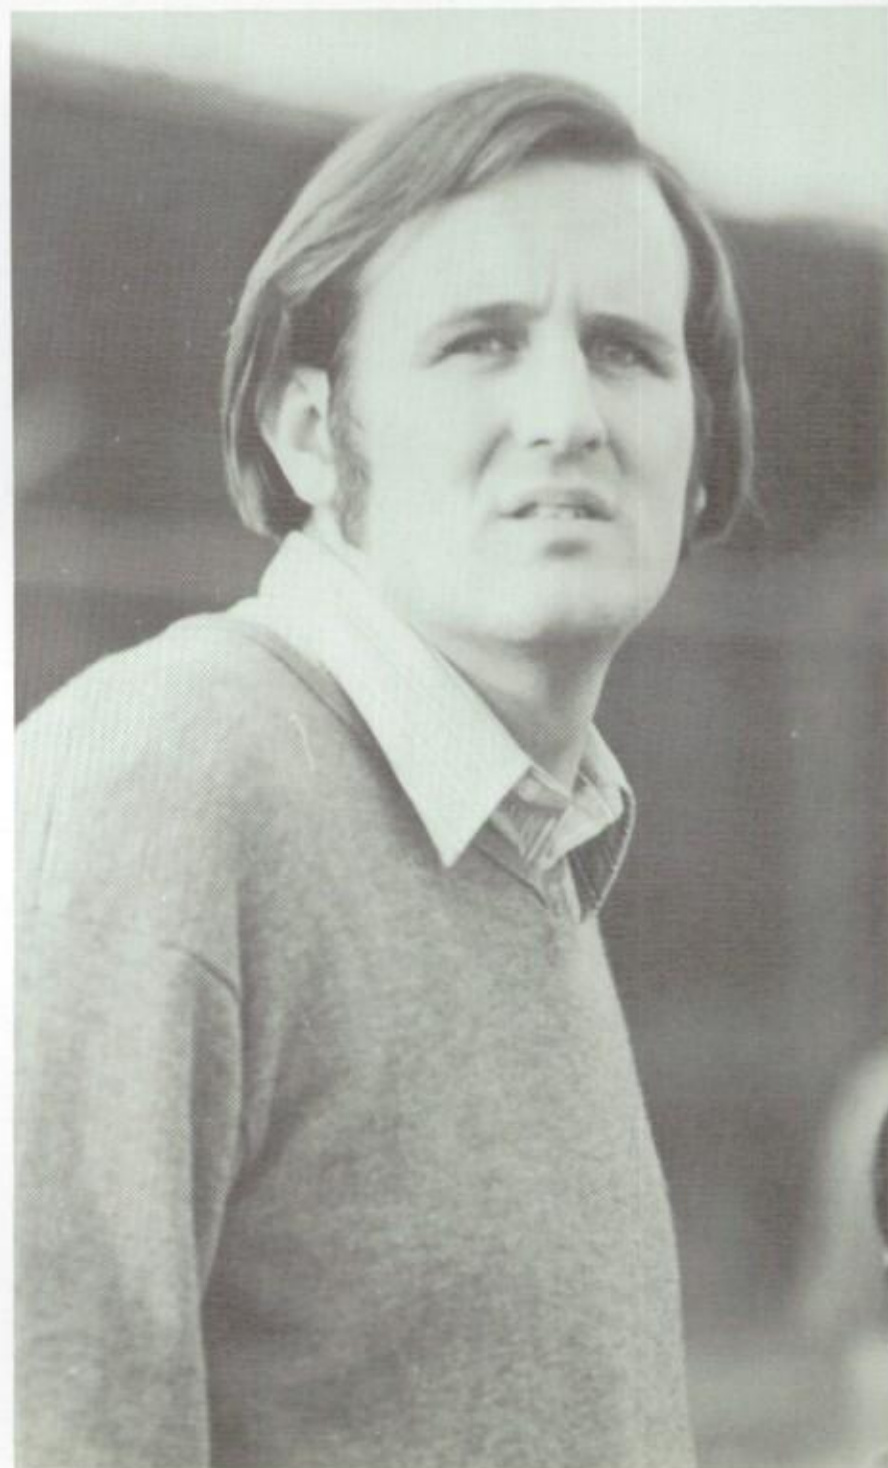

Four years at Artesia offers a repetition of many events, but new ideas happen all the time. For instance; (MOVING CLOCKWISE) Alan Carbon being presented as "Seniorfella" by Miss Brunetti, Andy Schiefer, Student Body President using "control" on a rally, Junior boys giving Junior girls football hints, footballers soaking up the applause they deserve, and Mr. Noble, the science teacher, with his mouth shut.

There's no way to get around the fact that we students owe alot to our parents. Parents have been the back bone of our high school career, backing and supporting us when we need it. So in hopes of a future peace which should exist between parent and student we dedicate this page to "Our Parents."

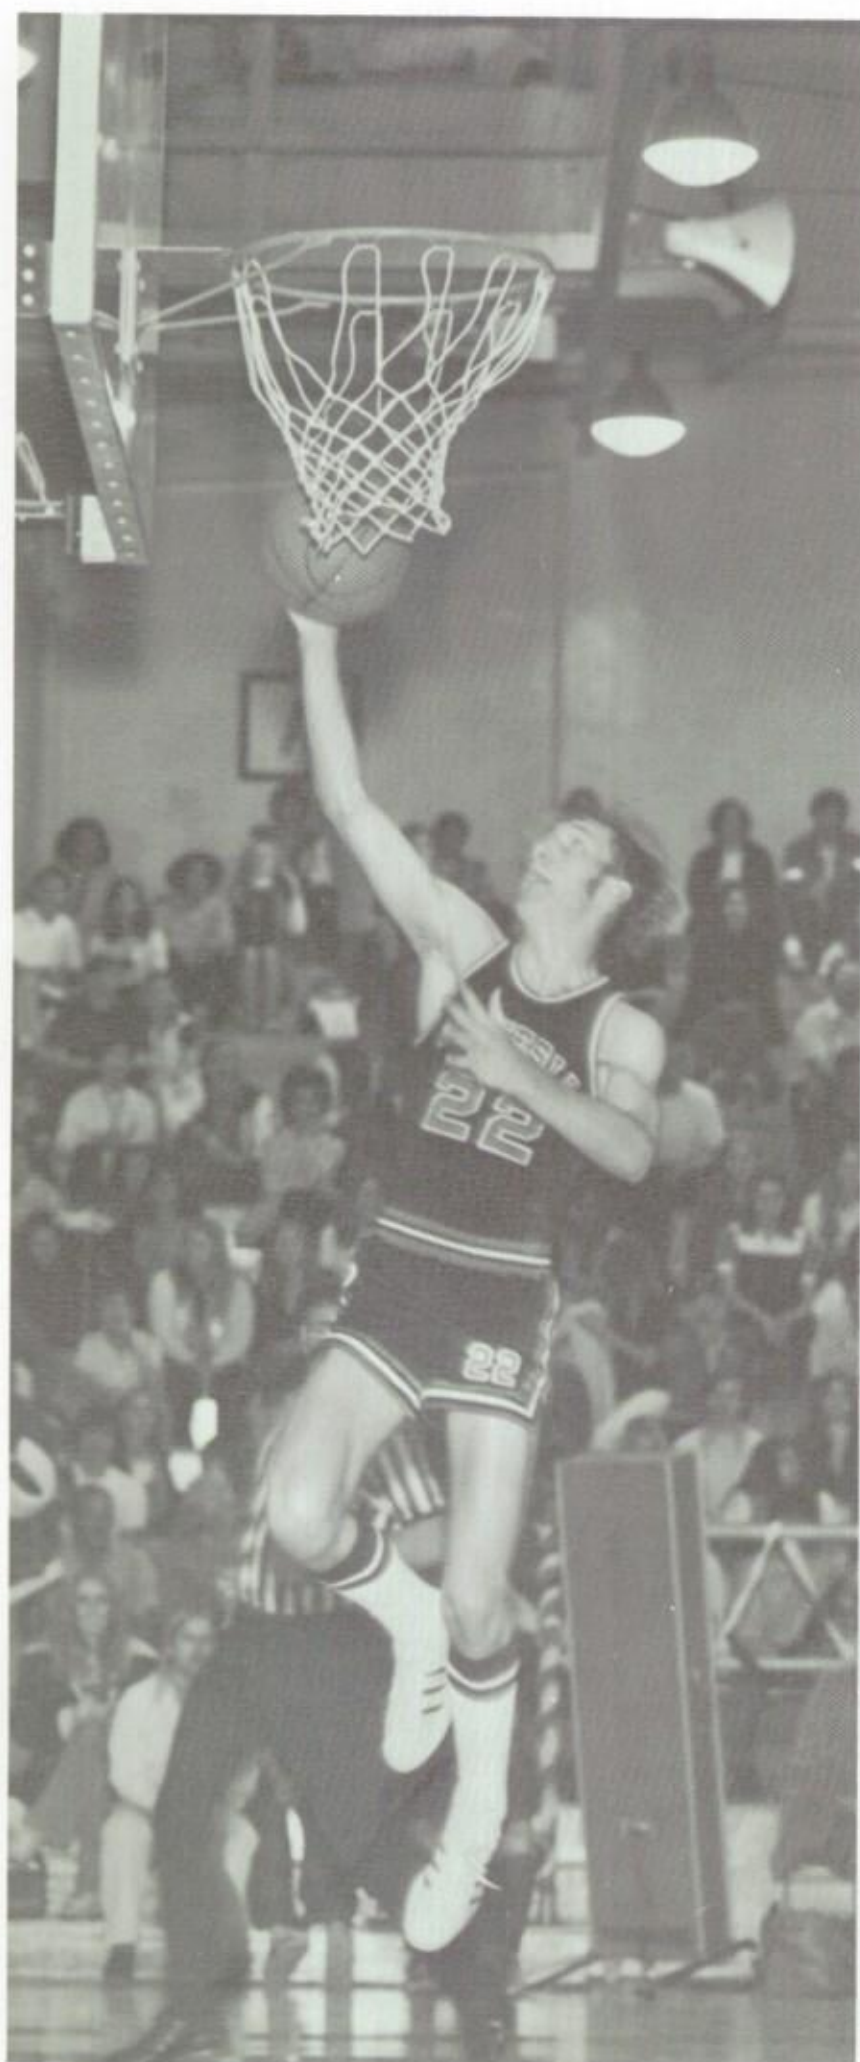

Artesia teachers use more than just a blackboard and chalk in their lessons today. Mr. Noble and Mrs. Cheri Vela took a group of Biology and Oceanography students on a whale excursion. Mr. Montgomery and Mr. Valios use their time coaching. Mr. Hundley has the terribly difficult job of Annual staff advisor. MR. Atterbury heads Artesia's heaviest psych discussion on campus.

Producing an annual is just one of those things that never works out as the staff once dreamed. No matter how many deadlines are set up, rules of thumb, or do's and don't's, the annual staff ends up three days behind schedule and in debt. But we do try hard.

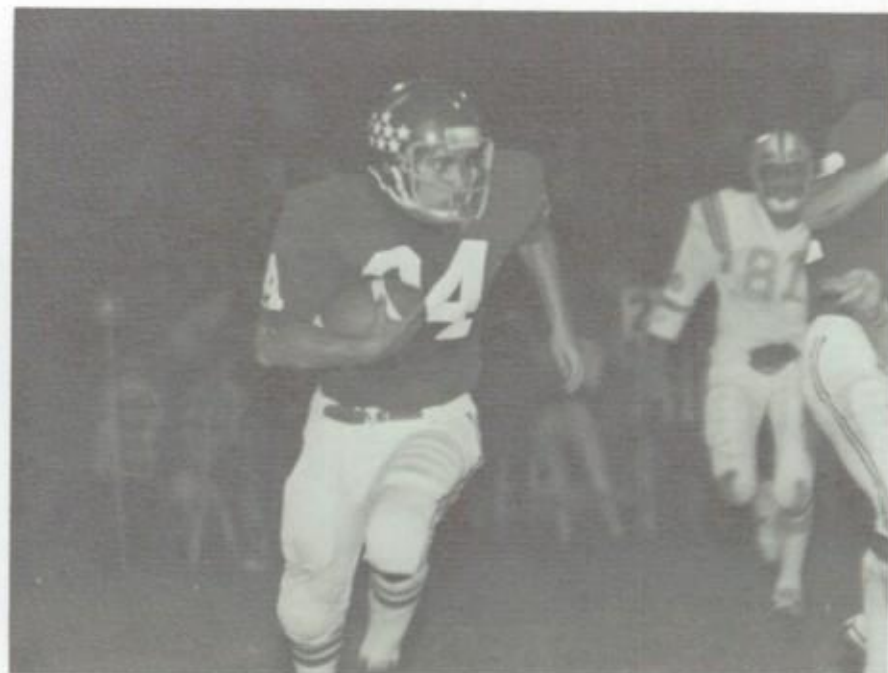

As our year comes to a close our staff members look back and wish it could be done again. Maybe a different cover, color, theme, just to forget the whole thing would have made it better. Too late now, it's past March 23, the final deadline, the book is put to bed. PEACE.

ATHLETE OF THE YEAR

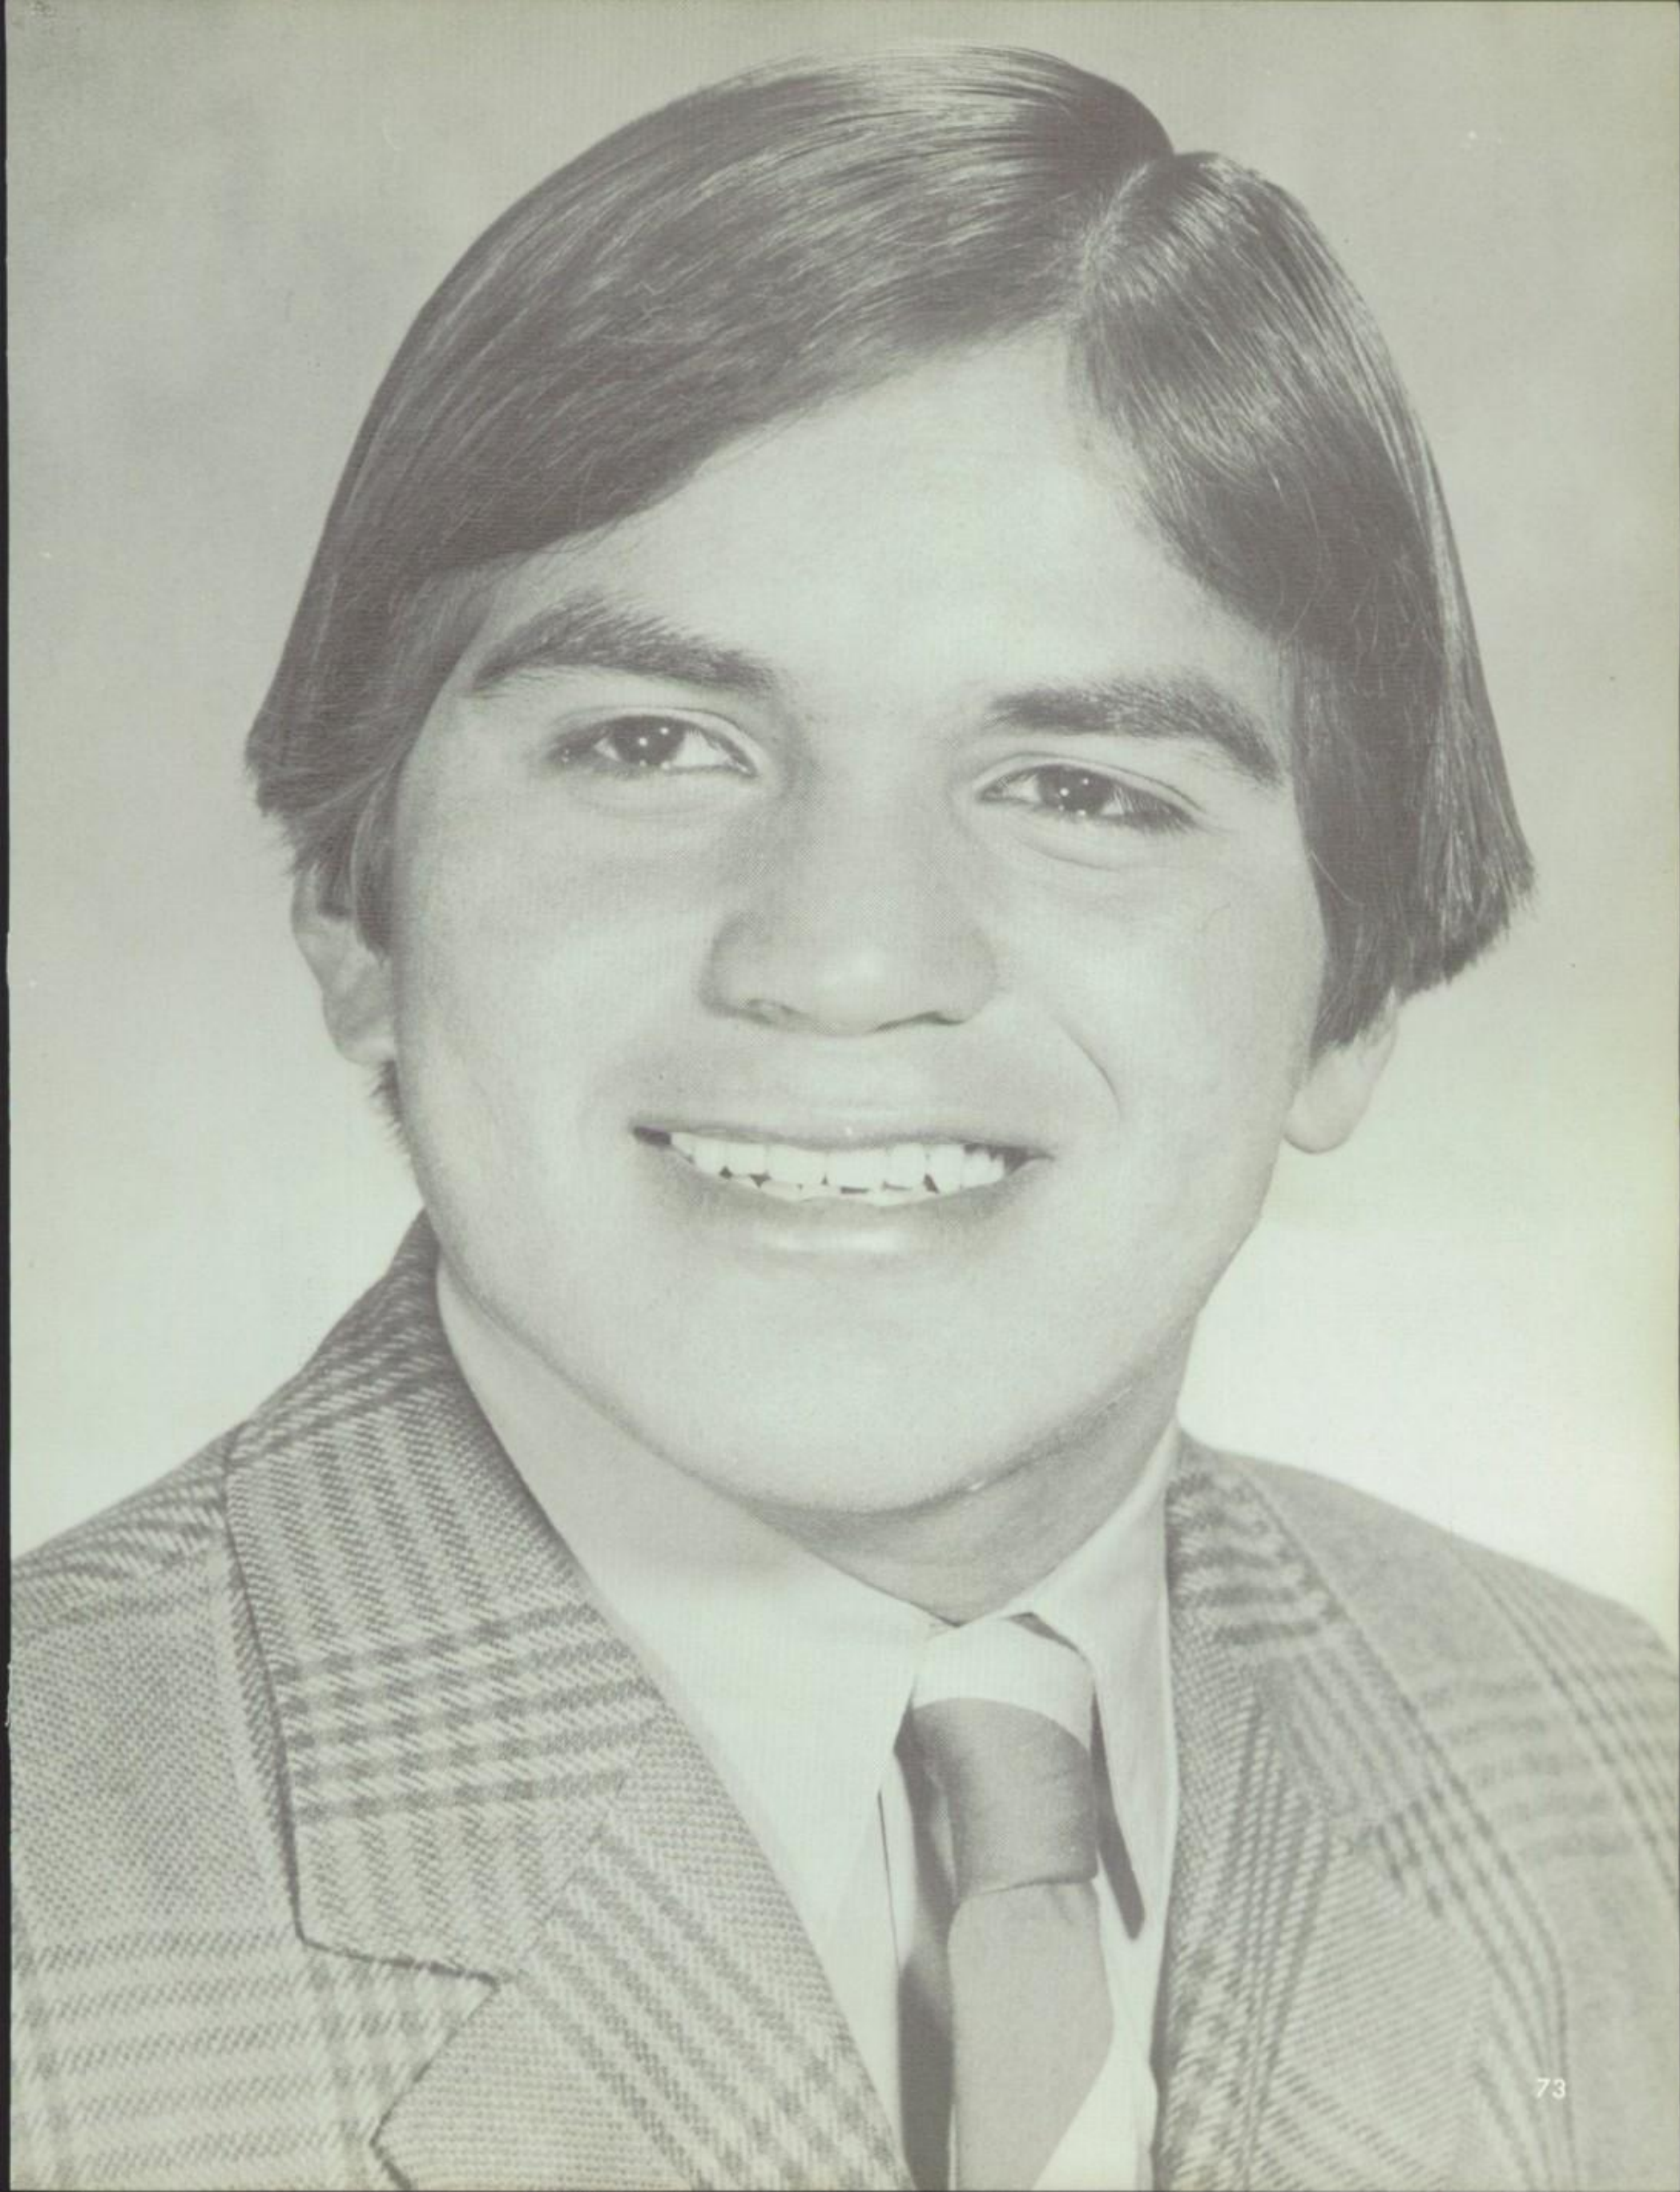

The days of the natural born athlete are here to stay, as proven by the 1972-73 Athlete of the Year- DANIEL ALMANZA.

Daniel was born in Los Angeles, and raised in the city of Lakewood. He attended Tetzlaff Junior High where both his great personality and athletic ability began to take shape.

As a freshman, Danny was able to turn the head of many a coach with his skills in "B" football and basketball. During his sophomore year Daniel played Varsity football, J.V. basketball, and J.V. baseball. Showing an endless source of spirit, Danny was named All-League player in football during his Junior year, and continued to participate in J.V. basketball and J.V. baseball. To end his high school career Danny refused to go quietly. Being the football team captain, Daniel also led the scoring and yardage. Once again he was named an All-League player, helping the Pioneer team to have one of its most successful years ever.

There is not much more to say about an all around sportsman and person such as Daniel Almanza. For your fine attitude, hard work, and especially your athletic excellence, Artesia High salutes DANIEL ALMANZA, ATHLETE OF THE YEAR, 1973!

FOOTBALL

Tie a game, win a game, win a game, and lose two; it was an endless circle for the Pioneer football team of 1972-73. With the close of the season our total of wins numbered more than it has in many years. Artesia's people felt proud to stand in a three way tie for second place in the Surburban League 2A.

Individual football players that showed extra efforts as they sneaked past blockers, stepped on offensive lines, intercepted passes, and crawled across the goal line, were awarded the title of lineman of the week and back of the week. The men who received these honors are: Brad Smith, Steve Wilson, Phil Richmond, Roy Tuttle, each chosen three times; Dan Almanza, chosen twice; Dennis McCutchan, Steve Goss, John DiFrancesco, Vince Alfaro, Bob Figueroa, and Tim Landrum.

The men who went on to be members of the Suburban All-League Team are: John DiFrancesco, Dan Almanza, Phil Richmond, and Dennis McCutchan.

"Break! and with the signal given the sophomore team took their place on the field one more time. Maybe their favorite play didn't work last time, but for sure this week." This is some of the spirit the sophomore team hung on to as they finished out the season. Although all the team members look promising for the J.V. team next year, they just couldn't get it together. Every week regardless of the weather, or team conditions the two coaches, Loy Eide and Norm Flowers, were there to help.

FRESHMEN

When you're a freshman at Artesia most everybody you see looks even bigger than the last. When you're a freshman football player suited up in shoulder pads, knee pads, hip pads, mouth piece, and a helmet the world looks a little different. Football gives the boys a chance to let their anxieties out and put them to work. Freshmen scores weren't the highest, but behind every point made was sweat, guts, and hard work. We would all like to thank the coaching staff that guided them through the season; Mr. Rod Engle and Mr. Frank Souza.

CROSS COUNTRY

This year's cross country team did an outstanding job in all dual meets. The Varsity team went undefeated in league and was "eeked" out by Gahr during league finals. The J.V. team fought hard but found themselves in third place. The Freshmen team finished the season in second place with a four and one mark.

Due to the great efforts of our Varsity team, and Mr. Rich Valois, the slave driving coach, this was the fourth successive year that the Pioneers went to C.I.F. Gilbert Gonzalves came in first place at league finals, with David Johanson running a close second.

BASKETBALL

Some people questioned the success of the Pioneers, until they heard about our secret-teamwork. They no longer questioned when they discovered that Pioneer teamwork meant not only the ability to know what direction Rod Connole would pass the ball, and how far Tim Fruhwirth could sink a shot, but also the full physical and moral support of every team member, on court and off.

With a rating of number 2 in the Double A C.I.F. standing, Coach Ackerman had quite a challenge to meet, and he did it well. In pre-league games Artesia's record was 12 and 1, losing only to Long Beach Wilson, a 4A school.

After two victories over Mayfair, our cross-town arch rivals it looks as if Artesia's varsity team is headed on to number one in Suburban League, and then on to C.I.F.!

Our wrestling teams brought new life and excitement to Artesia High. The meets were held Thursday night in the gym and the matmen really went at it. The first meet against Mayfair was a determining one for the Artesia team, but was lost by Varsity and won by J.V.'s. During the pre-season Artesia attended the Aviation, Cerritos, and Neff Tournaments returning home with first, second, third, or fourth place awards.

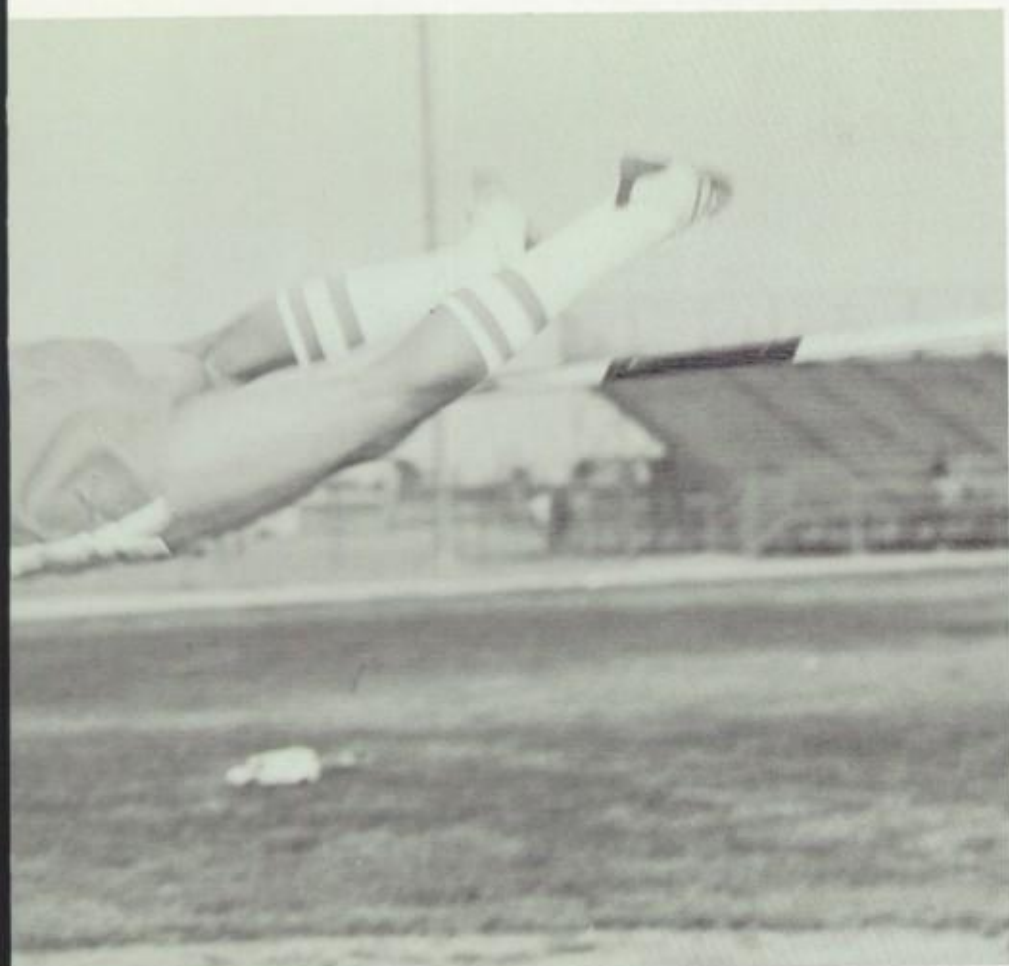

T R A C K

Although the track season started rather slow this year due to bad weather conditions, Artesia's track team recorded some good times and showed a lot of potential. Outstanding returning senior lettermen include Mark Evans, Gil Gonzales, Bob Pearce, Dave Johansen and Phil Richmond. Other returning lettermen on the junior level are two fine sprinters Jack McLaughlin and Bob Lyons.

BASEBALL

Being one of the last seasonal sports of the year, baseball often lacks some of the attention it deserves. At the time of this writing, baseball season hasn't even begun but the hope of a winning team is there. Returning to the Varsity team line-up are Mike Livesey, Rick Dunaway, Russell Goddard, Mark Weiss, All-League team member Danny Almanza, and three year participant Steve Hansen. As Pioneer Power pushes forward, we feel assured of a winning year.

JV

Well practiced and always hustling, the J.V. and Freshmen baseball teams were ready for a good season. Coaches Curi, Souza, Daugherty, and Matz did a good job working with each player to develop an outstanding Pioneer style that held all year. Maintaining a driving determination towards a good year, both teams posed as a threat to the entire league.

TENNIS

Emanating from the well used courts was the familiar "ba-doink, ba-doink, ba-doink" of the tennis balls flying back and forth. This year, Coach Tony Stevens' tennis squad promises a skyward loom with the return of Dave Kennedy's power-driven serve; Jim Lowe's aggressive overhead smash and guidance as team captain; Ronnie Gallego's offensive lob; and Robert Stone's good "all-court" game. The mothballs and spider webs were driven into a hasty retreat as the squad prepares for what looks to be a promising season.

SOCCER

Soccer is a new sport activity at Artesia High. The team chose it's players by advertising in the school bulletin, "Pansies need not aply!" The results were good and the team had quite a year. Victories were few but every one played some pretty rough games and learned a lot from the experience of a first season. Soccer has opened a new sport to Artesia, and good luck to it in the years to come!

G.A.A.

The Girls Athletic Association gives all Artesia girls a chance to put into competitive practice those skills gained in Physical Education classes. Meeting after school as a club, the girls also travel to other schools to participate in several non-contact sports. (Girls will be girls). The sports include: volleyball, track, tennis, basketball, badminton, and softball. Three hundred spirited members shared in the struggles and joys of victories, losses, and a never-ending candy sale.

Sometimes students forget that a teacher is a real live person, with feelings. Grading you, guiding you, and still treating you as an individual makes this job hard, but they do the best they can. Teaching is not easy, and next time you think it is—ask a teacher. He'll tell you all about it!

Our secretaries are hard working, intellegent, and very busy. They have various jobs which help the students in many ways, although the students do not realize this. Seniorella of the Year-Liz Martinez-March

SENIORRELLAS

Just like students, teachers have pleasant and unpleasant tasks to perform. One of our distinct pleasures is serving on the Seniorella Committee.

To search for attributes such as poise, grooming and personality in a student and then discover those virtues in so many fine young ladies is rewarding. At the same time, it is frustrating, because each year the number of eligible girls for Seniorella honors has increased, and we want to reward every deserving candidate. Only a few can be picked, however, and it is to those 20 that the faculty devotes these pages.

Our sincere and pride-filled congratulations to you, girls, and especially to you, Liz Martinez, for consistently maintaining, and exceeding, the requirements for Seniorella, 1973.

OUTSTANDING

Cross Country-Gil Gonzales

The head coach of each sport-football, cross country, basketball, wrestling, soccer, track, tennis, and baseball all have the difficult job of choosing an outstanding athlete. Sometimes, as in the case of track and basketball no "best" could be determined. Two men were chosen to share the title of outstanding trackster, and the basketball team had a very unique situation. "How," asks Gordon Ackerman, "can I pick an outstanding athlete when some of the reserves came off the bench to score more points than the starters?" This statement was not made to put down the starting team, but merely to mention the diligent team effort which led the Pioneers on to victory. The baseball and tennis seasons are so young at the time of this writing that coaches Sagara and Stevens are unable to determine outstanding athletes.

Congratulations to all the men who have put time, effort, strength and ability into earning their titles. Ano de Oro salutes you all, OUTSTANDING ATHLETES OF 1972-73.

Jerry,
looking
though this
book, I find you
have your share of
friends. I really think
that if we try, we can
become good friends. I think
you're a real cute and sweet guy,
and I hope it won't go to your
head, like "sometimes it happens."
Hope you "make it" in the years
to come, if you get through
high school, and if you make
it through baseball, that will be
a miracle also. Well Jerry, keep in
touch during summer and
don't get wasted too much.
